### PRELIMINARY PLANS STARTED

## Prospects Good For New Student Union

"Prospects look great for a new student union building on the NNC campus very soon," announced ASB president, Dick Ramsey.

The NNC planning committee is meeting on campus this weekend for the second time to consider further plans for both the new student union building and a proposed science building. The planning committee will be meeting from time to time until the Board of Regents meets again next fall.

So far, plans for the new SUB are still in the preliminary stages. Blueprints are expected to be drawn up this summer to present to the Board of Regents for approval next fall.

Ramsey said the new building will probably be a modern brick structure, fully equipped and comparable to any other student union building of colleges about our size. The exact site has not yet been determined, but the vacant lot adjacent to the Coffee Shop on Holly Ave. is being considered.

The new student union building is expected to be financed through a government loan. Ramsey said,

## Band Concert Is Scheduled May 8

Members of the College Concert Band will present their spring concert on May 8 at 8:00 p. m. in the NNC Gym.

According to Prof. John M. Eby, band director, there will be no admission charge for the concert which will feature Armand Robbins, harpist, as soloist.

Other features of the concert will include a brass sextet, clarinet quartet and clarinet soloist.

In the brass sextet are Carol Moses, Jerry Dirke, Marilyn Cammack, Bob Faris, Paul James and Ted Morgan. The clarinet quartet includes Jim Nevin, Bob Hansen, June Todd and Charlene Bohl. June

"The prospects of getting government loans for student union buildings are very good because they are somewhat self-supporting—they have an income." Ramsey added that the loan would be a long term loan.

"ASB fees could adequately take care of it in the long run," he continued. ASB fees have been raised by vote of the student body to \$15. next year. Three out of the extra five dollars will go directly to the student union fund. The remaining \$2 will go to improve the budget.

A student committee with Jerry Hull as chairman has been appointed to work on some of the plans. Helping Jerry are Ruby Keating, D. Roy Franklin, Dick Etulain and Sandy Coombs.

Ramsey brought out the fact that it is not a choice between a student union building and a new science building, because the funds for a science building would have to be self-raised. He added that it is very probable that NNC will have both someday.

All furnishings in the temporary student union in Mangum Hall can be used as a small start toward furnishing the new building. The student body has no investment in the actual building, for all carpenter work was done by the administration, at no cost to the student body.

In answer to questions, Ramsey made it clear that the present recreation center will in no way compare to the proposed student union building, and that the students should not classify the new building with the present recreation center.

### ELECTION NOTICE

Elected Wednesday to help ASB president-elect, Jerry Hull, was Larry Halter, ASB vice president. Students also chose Noel Riley as OASIS editor and Dorothy Mittelder as CRUSADER editor. The polls are open today to choose sec-

THIS OPENING SCENE will catch the eyes of students and town people alike Friday night when the curtain raises on "The Lowland Sea," an opera by Alex Wilders. In the foreground is Prof. Double E Hill, director of the production. Preceding the main event will be a curtain raiser, a short comedy opera entitled "Excursion." Tickets are \$.75 and \$.50 for reserved and general admission respectively. Curtain time is 8 p. m.

## Curtain Rises Tonight On Opera

Tonight marks the opening of "The Lowland Sea," and "Excursion," two comic operas, to run for two nights in the NNC auditorium.

"The Lowland Sea" features soprano Pansy Martin and tenor Dean Boring in the lead parts. It is a tale about the sea and the people of the sea.

The action centers around Martin, who portrays Doris Davis, and Boring, cast as Johnny Dee. Just before Johnny Dee leaves on a two-year voyage to Singapore and back, he and his lover, Doris, vow their faithfulness to each other.

While on the voyage, the ship is wrecked and all the crew except Johnny Dee are lost. Word goes back to Doris that Johnny has been lost at sea.

Eventually Doris marries, only to have Johnny Dee return. The rest of the story dwells upon the

### CHAPEL PROGRAMS

## Student Preaching Mission Scheduled Next Monday

Next Monday marks the opening of the annual Student Preaching Mission, Rev. Elwood Sanner, head of the department of religion, has announced.

Students will be preaching in all chapel services May 5-9 and in College Church Wednesday and Sunday evenings. The annual event was established when Dr. L. T.

## Campus Blossoms With Robes, Alums

Caps and gowns and alumni badges are in style on the NNC campus today.

At 11 a. m. black-robed seniors queued up for the processional for Senior Investiture. Meanwhile, the members of the alumni association were registering and finding their places in chapel. Dr. Riley and Dean Culver led the Investiture march and Dr. Howard Hamlin, Chicago neurosurgeon, gave the Investiture address.

This noon will find seniors and alumni lunching together in Morrison Hall. Later in the afternoon members of the alumni association will participate in a campus tour and the annual alumni golf tournament at Broadmore.

Members of Phi Delta Lambda are sponsoring an alumni coffee hour in the late afternoon at the Student Recreation Center.

Tonight at 7:00 seniors and alumni will enjoy the annual Alumni Banquet. Alumni president, Richard A. Lindbloom of Boise, will present Dr. Howard Hamlin, banquet speaker.

Highlight of the banquet will be the presentation of this year's "Alumnus of the Year" award. Last year's award went to Dr. Hamlin.

## Geometry Lecturer On Campus Monday

Dr. H. S. M. Coxeter, F. R. S. of the University of Toronto, will be on the campus next Monday and Tuesday to deliver a series of geometry lectures. Announcement of his coming was made today by Prof. Donald B. Tillotson, head of the department of mathematics.

Prof. Tillotson said that the series is sponsored by the Mathematical Association of America and the National Science Foundation. All interested persons are invited to attend.

"Dr. Coxeter is one of the outstanding geometers of today," says Prof. Tillotson. "He studied at Trinity College, Cambridge, England, and became a research fellow there in 1931. He has been on the staff at the University of Toronto since 1936 and is now head of the department of mathematics there."

Armand Robbins will be featured in two numbers, "Panis Angelicus" and "The Crusaders". He is a reed and harp instructor at Winther's Music Studio in Nampa. While in the U. S. Army band in Washington, D. C., Robbins was a student of Lloyd Lindroth, outstanding harpist.

## GRADUATION AWARDS

### Dr. Aller Announces Plans, Awards For Four Seniors

Dr. Alvin A. Aller, chairman of the division of natural science and mathematics, has announced graduate awards and plans for four members of the Class of 1958.

Rodney V. Hoyle, zoology major from Wenatchee, Wash., has been notified of his acceptance at two medical schools, the University of Utah and the College of Medical Evangelists at Loma Linde, Calif.

Paul Miller, biological science major from Molalla, Ore., has been offered a laboratory assistantship in the Department of Fish and Game at the University of Wyoming. Miller plans to do graduate work.

Darrell Marks, Boise physics major, earlier in the year was awarded a fellowship in nuclear technology by the Oak Ridge Institute of Nuclear Studies. The grant includes tuition, fees and a \$2,000 stipend. Marks has been admitted to graduate school at the University of California and Massachusetts Institute of Technology. He plans to attend M.I.T.

John Prince, physics major from Salem, Ore., has received a fellowship in radiological physics from the Oak Ridge Institute of Nuclear Studies. The grant includes tuition, fees and \$3,000. This includes three months employment at Hanford Engineering Works.

Prince has been admitted to the graduate schools of the University of Washington and Massachusetts

student body. No investment in the actual building, for all carpenter work was done by the administration, at no cost to the student body.

In answer to questions, Ramsey made it clear that the present recreation center will in no way compare to the proposed student union building, and that the students should not classify the new building with the present recreation center.

## ELECTION NOTICE

Elected Wednesday to help ASB president-elect, Jerry Hull, was Larry Halter, ASB vice president. Students also chose Noel Riley as OASIS editor and Dorothy Mittelreider as CRUSADER editor. The polls are open today to choose secretary, treasurer, KROK manager and program chairman of the General Missionary Society. Also elected Wednesday was Jim Jackson as sergeant-at-arms, Roger Burkhart as Missionary Society president, Roland Becker as vice president, Helen Couch as secretary, and Marilyn Murray as treasurer.

While on the voyage, the ship is wrecked and all the crew except Johnny Dee are lost. Word goes back to Doris that Johnny has been lost at sea.

Eventually Doris marries, only to have Johnny Dee return. The rest of the story dwells upon the situation which occurs after this turn of events.

Others in the cast besides Boring and Martin are Lee Marsh, Ben Clouser, D. Roy Franklin, Don Doane, Jan Chenoweth and Mona Hulén. There are also 29 other participants in the cast.

Preceding "The Lowland Sea" will be a curtain raiser, the short comedy opera "Excursion."

The theme features the meeting of two young men and two young women on a train as they return home from a trip to the big city.

In the cast are Carolyn Downey, Barbara Kiel, Bob Faris, Jerry Vegiv and Gil Fitz.

In charge of lighting and staging is Don Thompson, while Florine Wilson and Sharon Johnson are directing the costuming.

Tickets are on sale with reserved seat \$.75 and \$.50 for general admission.

### Dr. Riley Receives Recognition In Education Circles

Dr. John E. Riley, NNC president, received special recognition in education circles during the past few weeks.

At the beginning of April he enplaned for Chicago where he served as a fraternal delegate from the Northwest Commission on Higher Education to the Central Association of Secondary and Higher Schools meeting in regular session.

Dr. Riley has been a member of the Northwest Commission for a number of years.

Recently President Riley served as presiding chairman for the meeting of the Governor's Conference on Education held in Boise. College presidents and lay leaders in education from all over the state were present for the sessions.

In the absence of the president of the conference, Dr. Riley as vice president, served as master of ceremonies for the Governor's Banquet and chairman for all the regular conference sessions.

Next Monday marks the opening of the annual Student Preaching Mission, Rev. Elwood Sanner, head of the department of religion, has announced.

Students will be preaching in all chapel services May 5-9 and in College Church Wednesday and Sunday evenings. The annual event was established when Dr. L. T.

### Membership In Speech Honorary Looms For NNC

NNC sent five representatives to Pocatello recently to make initial contact for reception into Pi Kappa Delta, national speech honorary.

Pi Kappa Deltans of this region held their regional conference at Idaho State College in Pocatello and invited NNC to send representatives as guest delegates.

Since NNC seniors and sophomores were busy taking tests, Prof. Mallalieu A. Wilson and four freshmen made the trip. Accompanying Prof. Wilson were Richard Benner, Larry Clark, Paul Barber and Ed Hosford.

The NNC group was housed in Nazarene homes in Pocatello. They attended all sessions of the conference and were introduced at the banquet.

While in Pocatello the freshmen met and talked with Prof. Clark Carlile of Idaho State College. Prof. Carlile is author of the text which Miss Helen Wilson uses in freshman speech classes.

Corlett was president of NNC. Students are chosen through consultation with Dr. Riley and the department of religion.

Ken Spicer, a religion major, will speak in chapel on Monday; and Don Kinyon, a divisional major in religion and philosophy, will preach on Tuesday.

Speaking Wednesday morning will be John Million, a religion major. Lloyd Bellamy, a candidate for his MA in religion this year, will bring the message Wednesday night at College Church.

Thursday morning Makoto Harada, a history major, will be featured; and Ron Kratzer, a major in religious education, will conclude the chapel message on Friday morning.

Dee Freeborn, a divisional major in religion and philosophy, will deliver the sermon Sunday evening in College Church.

Spicer, Kinyon, Bellamy and Freeborn all plan to attend seminary next fall. Million and Harada both plan to stay at NNC next year to work toward their Masters degree. Kratzer is undecided as to whether he should stay here and work on his MA or go to seminary.

The purposes of the Student Preaching Mission each year are to highlight the fact that one of the more important areas of training at NNC is that of the ministry, to give recognition and honor to graduating ministerial students, and to provide in the closing days of the school year one more opportunity for religious emphasis of special value to the students.

and the National Science Foundation. All interested persons are invited to attend.

"Dr. Coxeter is one of the outstanding geometers of today," says Prof. Tillotson. "He studied at Trinity College, Cambridge, England, and became a research fellow there in 1931. He has been on the staff at the University of Toronto since 1936 and is now head of the department of mathematics there."

### Music-Speech Contest Coming

Soon it will be time for another literary contest which is an important part of intramural competition each semester.

According to Prof. Double E Hill, head of the Fine Arts Department, the music-speech competition will be held sometime in May. Competition in the musical division will be instrumental. This will include piano solos, organ solos, brass and woodwind solos and ensembles.

The speech events will be Bible and poetry reading. The Bible reading will be selected two minutes before competition. The poetry reading will be limited to five minutes in length.

Further announcements will be made at a later date.

### Senior Wins First Place In Contest

Ida Hollinger, senior from Velva, No. Dak., was adjudged winner of this year's First Year Speakers' Contest. She received a trophy cup.

David Rinker, freshman from Hastings, Neb., was second place winner, with Mona Hulén, sophomore from Tacoma, Wash., chosen as third. Esther Smith, sophomore from Calgary, Canada, was runner-up.

This year's type of speech was the sales talk and Mrs. Hollinger presented daily vacation Bible school materials from the Beacon Hill Press. Rinker spoke on the Modern Library and Miss Hulén demonstrated Osterizer. Miss Smith "sold" land plots in Florida.

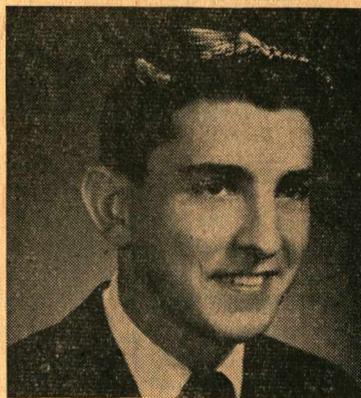

The contest is sponsored yearly by Miss Wilson in her beginning speech classes. Only those students who are enrolled in first year speech are eligible to participate. Semi-finalists are chosen by class vote with judges from outside called in to make final awards.

Judges for this year's finals included Dr. Thelma Culver, Prof. A. E. Sanner, Prof. Marian B. Washburn, Prof. Harvey Campbell and Mr. Robert Applegate of Nampa.

While Mrs. Hollinger received the First Year Speakers' Cup, Rinker and Miss Hulén received awards of a book and a pen respectively.

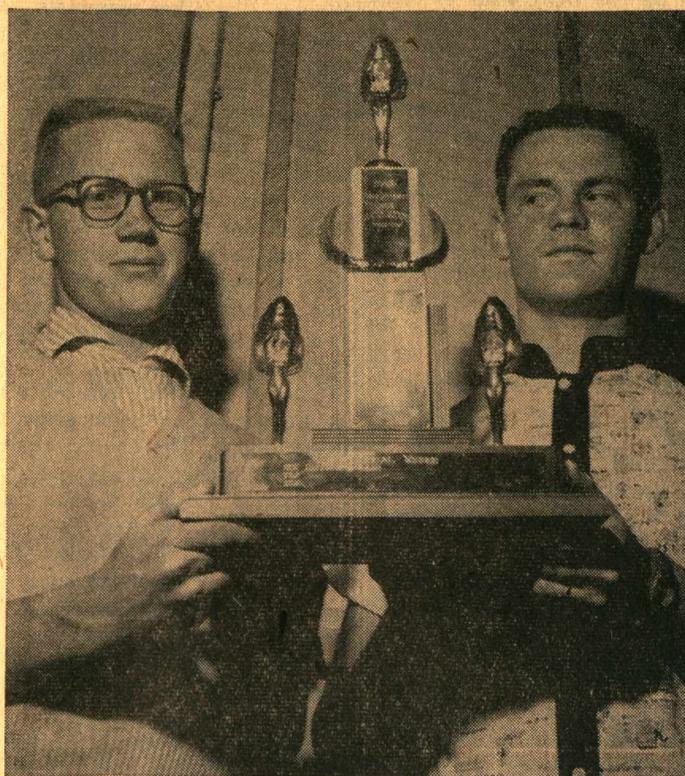

RODNEY V. HOYLE

PAUL MILLER

Institute of Technology. He plans to attend the University of Washington.

Dr. Aller is the head of the department of biological science at NNC and Dr. Gilbert Ford is head of the department of physical science.

HOLDING THEIR TROPHY are Al Lewis (left) and Jim Hilliard, who recently won the annual Ada County Bar Assn. debate tournament in Boise. The cup is a traveling trophy and must be won three consecutive times for permanent possession.

## ★★ Editorial Comment ★★

### GLADNESS OF HEART

"Ye shall have a song, as in the night when a holy solemnity is kept; and gladness of heart . . ." So said the prophet Isaiah to those who would make God their refuge and their strength. Many were going down to Egypt for help, trusting in Pharaoh, his men and horses for protection. They took counsel, but not of God, they covered themselves, but not with God's Spirit, that they might add sin to sin. It is needless to say who was victorious in the end.

How often do we trust in men, organization, methods, physical strength, or our own weak selves, when the only lasting power, security, and strength is in Jesus Christ?

What actually is necessary? What must we possess? Let us turn to God's Word for an answer. "Now the end of the commandment is charity out of a pure heart, and of a good conscience, and of faith unfeigned." I Tim. 1:5. God wills for us love flowing out of a pure heart, a conscience that is tender and sensitive, and an unfeigned faith.

Yes, this is what we wish—that all who pass through the portals of Northwest Nazarene College will be a living example of this verse.

Cars, homes, money, education, occupation, wife, children, recreation, aesthetics; all have their place on the scale of values. But pure hearts full of love, undying faith in God's promises, and a conscience responsive to the leadings of the Holy Spirit are the only real necessities.

This college must be composed of young men and women who are holy. We claim to be a holiness college. Holiness is the standard which is set for us by those outside the body of Jesus Christ. If something is done which does not compliment that standard, our observers have lost confidence in us. And the only thing that can break down that barrier erected by our mistakes or disobedience is restitution.

"Let us realize, Oh Lord, that the only thing that really matters in life is our relationship with Thee. May we walk with God in perfect harmony. May we let Thy Word pierce our heart and Thy Spirit be as a candle which searcheth out the inward desires and motives. Then give us courage to meet with truth; for the truth shall make us free.

"Then as Thou hast promised, we shall have a song in the night—even when life is the darkest and our problems gather in like a cloud; and gladness of heart, for our all-consuming desire is to be found perfect in love, in Thee. Oh the depth of the riches both of the wisdom and knowledge of God! How unsearchable are His judgments and His ways past finding out! Amen."

### PIANO NOTES FROM THE PAST

By RON FRY

There is an item of furniture on the campus of NNC of which I was unaware until the other day when I walked into the parlor of the Home Economics building. I had walked through the parlor before but had never noticed this special object before.

Today the old piano in the corner seemed to have a special attraction for me. It was an ancient masterpiece of wood carving. The new paint exterior did not do justice to its elegance. It seemed to be a reminder of the days when men labored and toiled because of the love of their work.

The hand carving in wood spoke of long tedious hours of painstaking and loving labor. It drew attention to the durability of a day

PROUDLY HOLDING his prize possession, a 243 cal. Savage rifle, one of the newest rifles on the market, is "Pop" Geller, a Christian gentleman, machinist, salesman, hunter and part-time cook. His other rifles are (from left) a 22 cal. Remington pump, a 410 double barrel Lefevere (a quite rare gun), 20 gauge Remington pump shotgun, a 300 Savage, and a 30 Swiss.

## Actions Speak Louder Than Words For 'Pop'

By LOIS DRAPER

One of the more silent members of Chapman Hall is known to most of us as "Pop." The age-old saying "Actions speak louder than words," has been proven over and over by this little man with a big heart.

It would be hard to find "Pop" Geller without a smile on his face, and a cheerful word coming from his lips. In "Pop's" Sunday School class he exercises much influence. No truer example of a good influence could be found than in this Sunday School teacher.

Pop is the kind of fellow who practices what he preaches. He doesn't teach one way on the Sabbath Day and then live against all he teaches the other six days of the week. Pop sets an example all young people should follow. He has a genuine interest in young people. His main interest is seeing them won to the Lord.

Cooking is a very interesting sideline of Pop's. Anyone who has never tasted his moose steak fried shrimp, fried salmon or frozen cantalope doesn't know

### Memorial To A Whale

By DALE ORKNEY

Spring is generally thought to be a time of new life, but this article is written in memoriam to one who died this spring.

High tides, heavy rains, and strong winds combined to perform a spectacular show of wave churning and driftwood tossing on the Oregon coast this spring. All of this meant the death of a whale that washed onto the beach

what he has missed. This is just one of the privileges that his Sunday School class enjoys. Perhaps when NNC needs a cooking course teacher some day, Pop will be around and willing to accept the position.

Pop has his own machine shop where he makes body shop tools and equipment from his own patents. He also receives an extra income from his trailer sales business.

Besides being a cook, machinist and salesman, Pop is an excellent hunter. He has six rifles, one of them a very rare 410 double barrel Lefevere. Seldom does Pop come back from a hunting trip without his game.

Much more could be said about this Christian gentleman; however, his life can be summed up by saying—**HIS ACTIONS SPEAK ALONG WITH HIS WORDS!**

## SENIOR EDUCATION STUDENTS CONSIDER TEACHING POSITIONS

Nampa teachers and administrators who have participated in Northwest Nazarene College's teacher education program this year were guests of the college at a luncheon in Morrison Dining Hall recently.

In announcing the event, James A. Feltar, director of student teaching, said that while the teachers were dining their classes were being taught by NNC student teachers. Some 44 students have been doing cadet teaching in Nampa and outlying schools this year.

### "I'M GOING BACK"

## L. Wesley Johnson Relates Hawaiian Trip Highlights

By NANCY McCONNELL

Mr. and Mrs. L. Wesley Johnson just completed a two and one half month vacation in Hawaii. From all appearances, they enjoyed their trip immensely—even to the lovely tan that only Hawaii can give.

"The hospitality of the people was outstanding," reports L. Wesley. "For example, one hotel in which they stayed, had a fragrant orchid pinned to each pillow. A little card was attached also that wished them 'pleasant dreams'."

Mr. Johnson spoke in Nazarene churches on 6 of the 7 islands. He preached every Sunday, so you can see that it wasn't all vacation. If he had chosen so, he could have gone into full-time evangelism; there was certainly a great demand.

The University of Hawaii is the main educational center in Hawaii, with approximately six thousand students. Many, after graduating, come to the mainland because of greater opportunities in the United States.

One custom that is particularly amusing of the Hawaiians is that the children prepare for bed in the afternoon. After they come from school, they put on their pajamas, then eat their evening meal, and then possibly attend church. When they come home later, they are prepared for bed. Good idea, huh?

Both at arrival and departure from the islands, the Johnsons were smothered with leis, accompanied by the customary Hawaiian greeting, a kiss. When leaving, both Mr. and Mrs. Johnson had 14 of the flower-necklaces.

The visitors were also impressed with the pace of living in Hawaii. "Life there is so much slower," Mr. Johnson said, "and there seems to be no particular rush." Most of

the people talk "pigeon" which is a mixture of several languages—and slang.

There is also much inter-marriage in Hawaii between the several races represented. Family ties are very great, which makes a Protestant religion very hard to start, because of the strong influence of Buddhism.

Mr. Johnson stated that the outstanding thing about Hawaii is the warmth and friendliness of the people. The spirit of the people penetrates one until he can't forget them. One may forget some of the sights, but one will always remember the "mood" that the people set, the music, the atmosphere, but mostly the sincerity of the people. Mr. Johnson says, "That's one place I want to go back to."

## Missions Band Studies Languages

Different languages were the theme of a recent Foreign Missions Band meeting. Those who are planning to be foreign missionaries were particularly interested since they may have to learn a foreign language some day.

The service was opened with a few hymns, led by Makoto Harada. After prayer, a duet was sung in Spanish by Eunice Hodges and Haroldine Yancey. The speaker of the evening was Miss Demmer, who gave a very interesting talk on languages in general.

Following the speaker, several testimonies were given. The testimonies were given in one language and then translated into another by some of those present. Hiroko Okito translated Edna Kramer's testimony into Japanese; Kyung Ja Yoo translated Esther Schroeder's into Korean; Miss Demmer translated into English the testimony of Edna Kramer in German, and Dave-Rodriguez translated into English the testimony of George Bravo which was given in Spanish. George is a student from Peru.

At the close of the meeting, the group learned, and sang a simple chorus in Spanish, led by Harriet Burkheimer, program chairman. The service was novel and interesting, as well as informative, and making all those present more aware of the universality of the gospel.

Both patching roofs and making friends are things a fellow should not put off until the day he needs

The hand carving in wood spoke of long tedious hours of painstaking and loving labor. It drew attention to the durability of a day gone by. It spoke of a day when men of strong character had made not only furniture of enduring and genuine character, but also lives.

It stands as a solemn reminder to us in this day of sham, pretense and conformity, that to be strong and lasting we must develop and build qualities which are lasting. We must use a fibre which has been tested and proved.

Perhaps today we should return to the rugged individuality which characterized the building of this nation and lean upon our inner stability rather than the weak frame work of conformity to the desires and wishes of those around us.

This ancient piano spoke the deep meaning of the soul of its craftsman. It could be that today we are reluctant to display our innermost conviction; or perhaps we have no convictions at all. We should cease to talk about the kind of a man a good man ought to be, and begin to be such.

## TROJAN TALK

(By LaDONNA TILLOTSON, College High School Reporter)

Elected student body president for the year 1958-59 is Don Sauer. Other nominees for the office were Jim Jackson and Bill Manley. Ernie McNaught, vice president; Phyllis Fletcher, secretary; Becky Mark, treasurer, and Dave Johnson, sergeant-at-arms, were also elected by the ballots cast April 27. Those nominated for college sergeant-at-arms were Jim Jackson and Wendell Smith.

"The course of true love never runs smoothly."—So goes the old adage. The story of the loved ballad "Annie Laurie" with the touching romance of Annie and Sir William Douglas has at last found its way into a play. If you want the old ballad to forever hold a fresh and vital meaning for you, don't fail to attend a performance of "Annie Laurie" at the College Chapel on May 9 and 10.

Among the five hundred Nazarene teen-agers from all over the world who will be attending the International Camp and Institute at Estes Park, Colorado, next July will be two fellows from College High, Bob Mangum, Jr. and Bill Manley. Bob and Bill were chosen by the district NYPS council from teenagers nominated by their pastors.

The Trojan track squad, under the coaching of Paul Finkbeiner, has participated in two meets, the BJC Invitational and a three-way meet with Melba and Kuna. In the

latter, junior, Wayne Dahl, won the mile, while sophomore Buddy Kinzler placed first in both the 100 and 220-yard dashes. Deo Holtry, senior, tied for first place in the high jump.

The baseball team has recently picked up two more wins to boast a 4-1 record. The ball club defeated the Nampa Sophs 5-4 and the Kuna Kavemen 8-0. Trojan pitcher, Bill Manley, has been averaging two strike-outs per inning, reports Coach Don Boyd.

At the regional music festival, under the direction of Mr. John Eby, College High's choir and band earned top rating. The college and the PTA cooperated in chartering a bus to take the groups to the meet at Twin Falls Friday, April 25. The boys' quartet also competed and received an excellent rating.

The high school junior-senior banquet will be held this evening at the Thunderbird Room in Boise. Speaker for the annual occasion will be Dr. W. D. McGraw, superintendent of the Oregon Pacific district. Jim Jackson will act as Master of Ceremonies. The banquet has been planned by the junior class officers with the help of committees. The theme for the formal affair will be kept a secret until guests arrive.

Helen Kaye Flynn, a senior, was presented with a Girl-of-the-Month pin at an all school assembly.

## Memorial To A Whale

By DALE ORKNEY

Spring is generally thought to be a time of new life, but this article is written in memoriam to one who died this spring.

High tides, heavy rains, and strong winds combined to perform a spectacular show of wave churning and driftwood tossing on the Oregon coast this spring. All of this meant the death of a whale that was washed onto the beach. He was just a small whale, only about thirty feet long and weighing about three tons. But though we was small, he deserves a memorial; so with due respects to the deceased, this is written about his remaining kin.

Two factors probably contributed to the death of this whale: the battering of the storm and suffocation. Even though whales are air breathing mammals, they die of suffocation when they are washed up on land because their great weight presses down on their lungs so that they cannot breathe. Whales are mammals, not fish. They are warm blooded and give milk to their young.

Whales are the largest animals that have ever lived upon the earth. Some whales weigh over one hundred tons while the biggest dinosaur only weighed 50 tons.

When we say crocodile tears, we really should say whale tears. Whales, like other mammals, have tear glands; the tears keep their eyes from becoming irritated by the salt water. Whales also have hair, a few bristles on their snouts.

When whales go into warmer water, they become infested with barnacles; they then have to go back where the water is too cold for the barnacles to live. It just goes to show, no matter how big you are, there are some places that you cannot go without getting into trouble.

One can't write a good whale story unless he mentions something about Jonah. The sperm whale is the only whale with a throat large enough to swallow a man sized object. These whales have been observed off the Mediterranean coast. But, it may not have been a whale that swallowed Jonah. The word from the Hebrew text of the Bible that is interpreted to mean whale can also mean sea monster.

Naomi Alexander, Pep Club president, presented the award which is given each month to a senior girl showing outstanding leadership ability.

## PRACTICE TEACHING PAYS OFF

## SENIOR EDUCATION STUDENTS CONSIDER TEACHING POSITIONS

Nampa teachers and administrators who have participated in Northwest Nazarene College's teacher education program this year were guests of the college at a luncheon in Morrison Dining Hall recently.

In announcing the event, James A. Feltar, director of student teaching, said that while the teachers were dining their classes were being taught by NNC student teachers. Some 44 students have been doing cadet teaching in Nampa and outlying schools this year.

Schools represented at the luncheon included Nampa High School, College High, West and Central Junior High Schools, and Eastside, Roosevelt, Lakeview and Lincoln grade schools.

Prof. Feltar, who is also in charge of the NNC Teacher Placement Bureau, said that a number of schools have sent representatives

to the campus to interview prospective teachers this year.

NNC's Teacher Placement Bureau has been active for a number of years. Records are kept concerning each teacher's character, college activities and teaching history after graduation.

Mr. Feltar said that plans are being made now for next year's student teachers. Students who plan to do cadet teaching must fill out applications which are sent to the Teacher Education Committee. Members of this committee include Dr. Culver, Mr. Feltar, Mrs. Leupp, Dr. Ford, Mrs. Waller and Miss Wilson.

After the applications have been accepted, Mr. Feltar arranges for the classes which the students will teach in the public schools.

## Larry Hull Voted To Head Circle K

Larry Hull, president-elect of Circle K, will manage the gavel at club meetings next year, taking the place of outgoing president Don Doane.

Other officers elected at the last meeting were George Harper, vice president; Ed Hosford, secretary; and Al Jones, treasurer.

Hull has served as vice president of the club this year. Retiring as secretary and treasurer are Don Erickson and Bob Parker.

## Finkbeiners Make Good Managers

If one wants to win an ASB presidential election at NNC the odds will be in his favor if he chooses a Finkbeiner as campaign manager.

Three out of the past five successful presidential candidates have proved this, and three out of five is a good average.

In 1955 Harold Stickney had Myron Finkbeiner as his campaign manager and last year Dick Ramsey chose John Finkbeiner to manage his campaign. This year Paul Finkbeiner successfully led Jerry Hull into the high office.

When asked if he would consent to manager another campaign, Paul replied, "Never again, unless, of course, I had a good candidate I couldn't help but back."

"Otherwise, the only way the tradition could be continued would be if Junella would want to be someone's campaign manager." Junella, Paul's younger sister, is a sophomore at College High.

Mr. and Mrs. Frank E. Meyers announce the recent engagement of their daughter, Betta, to Mr. David Rodriguez of North Las Vegas, Nevada. A September wedding is being planned.

News from former students and grads finds that on April 15 in Athens, Ohio, Miss Colleen Wooten became Mrs. Bob Selby. Mrs. Selby is an NNC graduate of the class of 1956. Also on December 20, Miss Rena Messenger became the bride of Mr. Wallace Johnson of Pittsburgh, Kansas. Mrs. Johnson attended NNC in 1955.

## Alice Graham Hurt In Cooking Mishap

Alice Graham, a sophomore resident of Morrison Hall, was hospitalized at Samaritan Hospital last week following a cooking mishap.

Alice was preparing to make doughnuts in a popcorn popper when oil in the popper ignited. When she threw the burning oil into water, it splashed on her.

She suffered mostly first and second degree burns, and some third-degree burns on her right side. She is reported to be making good improvement, but hospital attendants still advise few visitors.

At the close of the meeting, the group learned, and sang a simple chorus in Spanish, led by Harriet Burkheimer, program chairman. The service was novel and interesting, as well as informative, and making all those present more aware of the universality of the gospel.

# Rally In Ninth Inning Brings Thrilling Victory

JOHN WRIGHT reaches third as Boise Junior College third sacker stretches for the ball on a play to third base. Wright went on to score and NNC won the game 8-7 with a last inning splurge.

## Crusaders Slip By BJC Broncos, 8-7

Finishing in a story-book fashion, the NNC Crusaders erupted for six runs in the last half of the ninth inning to take a 8-7 victory from the BJC Broncos in a game played April 29 at Crusader Field.

Held to seven scattered hits and two runs in the first eight innings by BJC pitcher Martinez, NNC collected five hits along with three BJC errors to drive home the necessary six runs. Cec Campbell and Bob Brooks with doubles and Dick Etulain, with a triple, led the ninth inning hitting assault for NNC.

The victory for the Crusaders was "sweet revenge" since the Boise Club had defeated NNC in their two previous meetings.

## NNC Tennis Meet Opens Tomorrow Statistics Reveal Facts About Team

The second annual NNC Invitational Tennis Tournament will be held on the NNC courts tomorrow, May 3, beginning at nine o'clock. Teams from BJC, C of I, and NNC will be vying for the trophy which has been donated by Ray's Texaco and Nafziger Banks.

George Harper, NNC sophomore, has been selected as a favorite to win the men's single competition. Dorothy Mittleider, also a sophomore, is expected to meet Jackie Gleason, BJC left-hander in the final round in women's singles play. Mixed-doubles competition will also be on the docket during the tournament.

Minnie Humphrey, sophomore, has recently joined the girls tennis squad as a result of a vacancy left by Betty Richardson.

Both men's and women's tennis teams will be seeing action Wednesday, May 7, when they travel to Boise to play against a recreational group.

"Pitchers aren't supposed to hit" is an oft repeated saying in baseball, but NNC's moundsmen disprove this theory handily. NNC's three pitchers are among the top five leading hitters.

Leading the club with four hits in nine at-bats, is Don Kinyon with an average of .444. Other leading hitters are Clouser with a .400 batting average followed by Etulain and Ellis with .333, Campbell, .308; White, .300; and Wright, 273.

Etulain has the most hits with eight, followed by Clouser with six and Stuart and Willard with five a piece.

In the fielding department, White, Etulain, Ellis and Kinyon have maintained 1000 averages by playing errorless ball. Willard and Crawford have made the most put-outs with 35 apiece. Thompson has the most assists with 16, followed closely by Stuart and Jones with 15 each.

White and Stuart have each stolen three bases. Etulain and Clouser both have five runs batted in. Clouser has hit three triples; and Etulain, Brooks, Thompson, Campbell and Kinyon all have doubles to their credit.

Team statistics show the squad hitting .234 and fielding at a .931

## SPORTS SHORTS

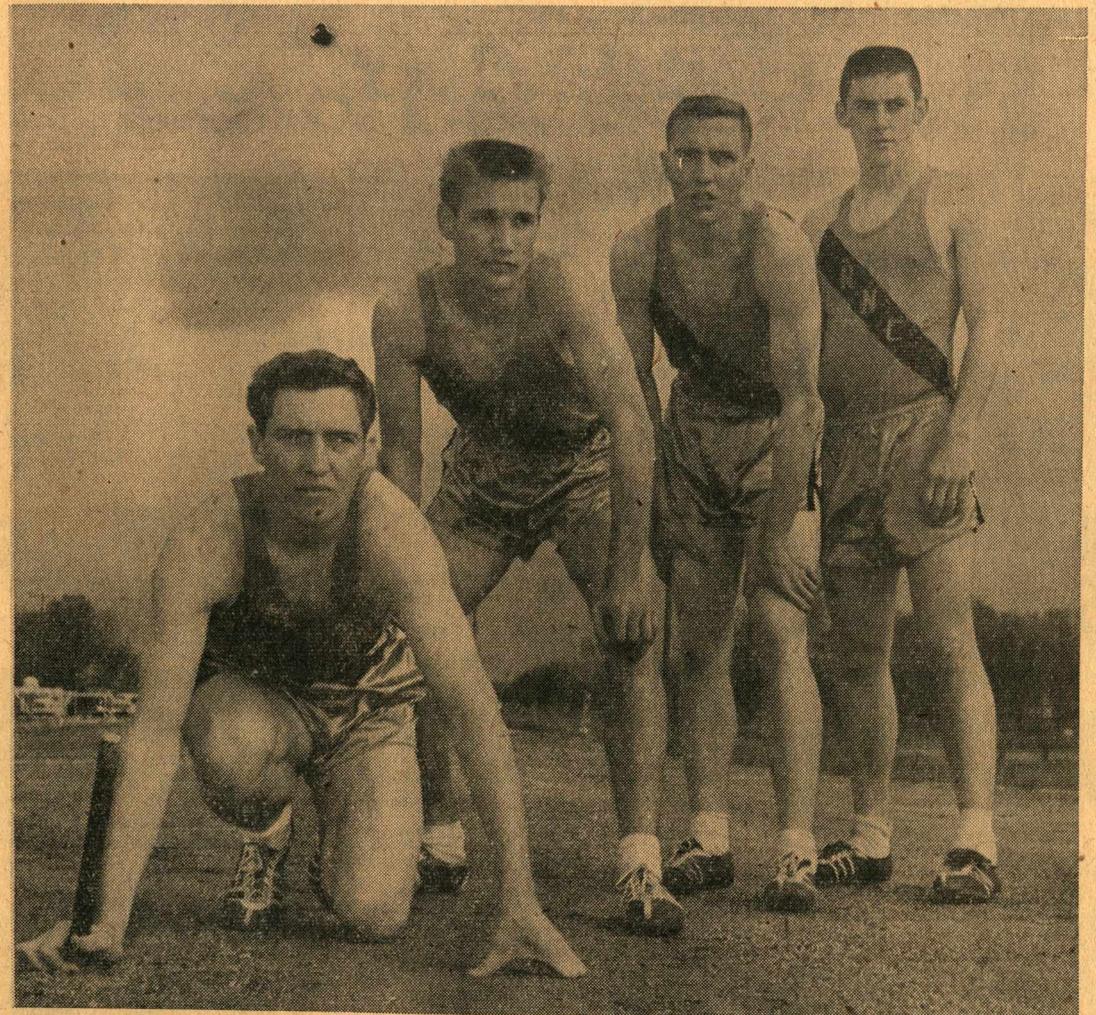

### FROM INTRAMURAL SCENE

Today is the day to begin practicing for the annual intramural track meet set for May 16.

The intramural handbook states, "No one will be eligible to participate unless he has attended practice sessions at least two weeks prior to the track and field day." Women will be allowed to participate in two running events and three field events.

On the individual scene, the Athenians and ADPs have walked away with the most honors. Placing first and second in men's tennis singles were Larry Halter and Bob Parker, both Athenians. Not to be outdone, two ADPs, Nancy McConnell and Roxie Hull, placed in the top two positions in women's tennis competition.

At press time the final round of women's shuffleboard doubles had not been played off. Contending for the championship title were Athenians Lorna Read and Phyllis Hickerson; and the twice-before champions, Wanda Moore and Roxie Hull, ADPs.

NNC's WINNING mile relay team composed of Larry Hull, Paul Finkbeiner, Jerry Hull and Don Constable are shown as they line up in their running order in the relay. The team has been beaten only once this year and has consistently turned in very low times for the event.

## ★ Here's The Pitch ★

By CEC CAMPBELL

Since this issue of the Crusader is dedicated to the alumni, I thought it would be enlightening and interesting to note some of the past athletic happenings at NNC.

1943

During this year Morris Chalfant had one of the top scoring records in the nation with an average of 21 points per game. Chalfant married the former Miss Margaret Attebury, and he is now pastor at Central Nazarene Church in Seattle.

1945

The 1945 cagers, when playing the traditional rivals from Boise, ended the regulation time in a tie. The Crusaders came back in the second overtime to upset the Broncos 48-41. The leading scorers were Orrin Hills, 14; Vail, 11; Roseboro, 10, and Keil, 9. The Crusaders had previously upset the Broncos 38-36.

1948

The big guns in 1948 were John Cramer, Carlyle Dean, Bob Keil, Woody Beukelman, and Ralph Unger. These boys upset College of Idaho for their first win over the Caldwell crew in five years. The leading scorer for the year was Johnny Cramer who at the

mates had the following to say about him:

"The biggest loss to the Crusaders this year is that of Herbie Geller, one of the best center fielders ever to wear the orange and black colors of our school. Herbie was always a crowd pleaser with his diving one-hand catches and he always had a hustling spirit which seemed to keep the team going when the chips were down. Somehow we feel Herbie's influence will still be with the team this year, encouraging and inspiring the boys to do their best all the time, which was the way Herbie played the game of life as well as baseball." (Taken from Sept. 25, 1953 issue of the NNC Crusader.)

In shuffleboard mixed doubles competition, Athenians Larry Halter and Phyllis Hickerson topped SLA's Phil Stuchell and Ruthie Burkhart to win the championship title.

## Track Squad Wins Triangular Meet

NNC's George Harper and Marty Sharp both cleared the bar at six feet to tie for first and set a new school record in the high jump in a triangular meet held April 19.

The two NNC thinclads, with their jumps of six feet, broke the old record of 5-10 and three-fourth set by Dan Martin in 1956.

Along with Harper's and Sharp's efforts, Don Constable and Paul Finkbeiner each won two first as the squad compiled 61¼ points for first place. Running a close second was BJC with a total of 59 points while College of Idaho finished third with 45¼ points.

Constable finished in front in both the 440 and 220 yard dashes and anchored the winning mile relay team. Finkbeiner matched Constable's output in points as he won the half-mile and mile runs and ran in the mile relay with Constable, and Larry and Jerry Hull. The Crusader's remaining first was taken by Dave Busenbark in the two-mile run.

## Thinclads Place Second In Meet

With three firsts and a host of seconds, thirds, and fourths the NNC track squad picked up 42 points to place second behind the BJC thinclads in the BJC Invitational track meet held last weekend in Boise.

The Crusaders were led by Paul Finkbeiner, who starred in all three of NNC's first as he won the 880, the mile, and helped in the winning mile relay team.

Besides Finkbeiner's performance the Crusaders cause was helped along by seconds by Don Constable in the 220 and 440 yard dashes; George Harper and Marty Sharp in the high jump; Don Ogburn in the high and low hurdles, and Dave Busenbark in the two-mile.

Picking up thirds for NNC were Jerry Hull in the 880 and Al Freeman in the low hurdles. Completing the Crusader scoring were Gale Lund with a fourth place in the pole vault and Freeman with a fourth place in the high hurdles.

## Women's All-Star Team

Two LSPs, two ADPs and two Athenians were chosen by vote of athletic directors to the women's all-star team as the close of the volleyball race. They are as follows:

## Two Tie For Valedictorian

Today's Senior Investiture sees five NNC students tapped for highest scholastic honors in the senior and junior classes.

A tie for valedictorian finds Merridee Love of Oregon City, Ore. and Makoto Harada of Nagoya, Japan leading the class of 1958 with grade point averages above 3.842.

Lynell Lewis is salutatorian with a GPA of 3.72.

Serving as marshals for the Class of '58 are Noel Riley, 3.84, and Paul Whitmarsh, 3.87, the highest ranking junior girl and boy.

Merridee Elaine Love is an elementary education major from Oregon City, Ore. Her parents are teachers and she decided to become a teacher when she was six years old.

Miss Love plans to teach near Oregon City next year. Later she would like to teach in Europe. She plans to do graduate work at the University of Oregon. Her hobbies are collecting napkins and raising roses.

Makoto Harada is the son of a Nazarene pastor in Japan. He is a history major and has a minor in education. Well-known on the campus for his bright Christian testimony and his prowess in ping pong, "Mac" plans to return to Japan to do Christian work.

Ruth Lynell Lewis is a resident of Nampa. She majored in English literature and has a minor in business. Her hobbies are sports and music. She has worked on the Crusader and was Miss Wilson's assistant in television publicity first semester. She is engaged to Ronald Van Order and a September wedding is planned. She plans to do graduate work and wants to become a teacher.

Noel Riley is a junior with interests in sports, homemaking and the Oasis. A resident of Nampa,

she is engaged to Philip Fitch, junior. A spring wedding is planned.

Miss Riley is majoring in English with plans to do graduate work and to become a teacher.

Paul Whitmarsh is an engineering physics major with a minor in chemistry. A Nampa, Whitmarsh plans to enter research work in electrical engineering. His hobbies are music and gardening and he is engaged to Pat Nine, NNC '57, who is now teaching home economics in high school.

Friday, May 2, is a day set aside to honor alumni and graduating seniors of Northwest Nazarene College. Since members of the Crusader staff wish to join in the activities of Alumni Day and Senior Investiture, we are publishing this special page dedicated to seniors and alums.

To members of the staff and students in Miss Wilson's writing classes goes a hearty "Thank you!" for their help in compiling the data on this page. We also appreciate the work of members of the faculty who gave us material.

## Lindbloom, Kunkel Welcome Alumni

Key figures in welcoming alumni to the campus today are Richard Lindbloom, alumni association president, and Paul Kunkel, executive secretary of the association.

Richard Lindbloom lives in Boise where he is service store manager for the W. P. Fuller Co. He is a member of First Church of the Nazarene where he directs the choir. A loyal ADP, Lindbloom is an accomplished musician. From time to time he has sung the tenor solos for NNC's presentation of "The Messiah."

While in high school and college he made five tours with the Crusader Choir. He was president of the choir in 1948 and was vice president of the Class of '48. In his junior year he was business manager of the Oasis.

Paul Kunkel earned his B. D. at Nazarene Theological Seminary after being graduated with a major in philosophy from NNC. While in college he was editor of the Oasis and was an active member of the honor society. He is now associate registrar.

May 10, 1948, found members of the class of 1948 donning their caps and gowns for the annual Investiture Service. Led by marshals Ruth Angell and Glen Dayton, the black-garbed seniors marched to the stirring strains of "War March of the Priests."

After the invocation by the Rev. John E. Riley, Dr. Lewis T. Corlett, NNC president, presented the senior class. Ervin Edgar, class president, responded with "Senior Reflections," Ruth Cronrath played a piano selection and Richard Lindbloom sang. The investiture address was given by the Rev. James B. McGraw.

Dorothy House was announced as valedictorian of the class with Virginia Kirley Leih as salutatorian. Dean Culver announced that Dorothy House, Virginia Leih, Edith Hoidal, Leah Zimbleman, Myrtle Hayes, Ruth Cronrath, Everett Nelson and Merrill Bennet had been elected to membership in Phi Delta Lambda.

Dorothy House and her husband, the Rev. Alvin House, are now engaged in pastoral work in the Church of the Nazarene. Virginia Kirley Leih and her husband, Dr. George Leih, reside in Arizona where Dr. Leih is practicing medicine.

"Clay in the Potter's Hands" was the theme of the senior program which was presented in chapel under the direction of Ervin Edgar, class president. DR. RILEY dons his cap and gown for senior investiture and other graduation activities scheduled to take place on the NNC campus within the next few weeks.

## Class Of 1938

Crusader staff members found their greatest difficulty in trying to trace the class of 1938. Although the list of graduates is not complete, we have done our best to recapture at least some of the personnel of this worthy class.

LARRY BONE, religion major, is now a successful pastor in Modesto, California. DORIS HELEN DEITERS married the Rev. Duane E. Muth and they are now pastoring the Nazarene Church in Salem, Ore.

ALBERT EASON is superintendent of schools in Weiser, Ida. RUTH FRITCH took her M. A. in home economics at the University of Minnesota and is a successful home economist. DORYCE ROSS FRASER makes her home in Vancouver, B. C., where she is the busy wife of a busy physician, Dr. Glenn D. Fraser.

MAURICE E. SCHEEL, M. D., was a recent chapel visitor and told of his work among alcoholics. Dr. Scheel is working with a clinic in Wendell.

FRANK N. ELLIS, a successful dentist, lives in Washington. He is responsible for some scholarship aid at his alma mater.

Other members of the Class of '38 with their majors are: Ailee E. Buck, sociology; Dorothy Fay Davis, nursing; George W. Jarvis, philosophy; J. Edwin McConnell, history-sociology; Anita Mineah, history-sociology; Gordon P. Mowry, education; Lois J. Roberts, education; John A. Thiessen, theology, and Ruth A. Young, history-sociology.

Just as the Crusader Goes to Press Word arrives that DOROTHY FAY DAVIS is a missionary serv-

## Class Of 1928

The Class of 1928 boasted six members—Lester R. Metcalf, Lavilla G. Cobb, Arthur S. Moses, Blanche Moses, Albert F. Harper and Margaret Stewart.

Dr. Olive M. Winchester and Prof. Russell V. DeLong were class sponsors. The white rosebud was the class flower and the class colors were royal blue and silver.

Their class motto was "Be one of the young who help with the future."

The seniors contributed two top student leaders to NNC in the persons of Lester Metcalf, ASB president, and Albert Harper, Oasis editor.

Society-wise the Olys were in the ascendancy with Albert Harper and Arthur and Blanche Moses claiming membership in that group. Lester Metcalf and Lavilla Cobb were ADPs and Margaret Stewart was an SLA.

In expressing the ideals of the Class of '28, Lester Metcalf wrote:

"The spirit of sacrifice and service which has been instilled in us here will be of inestimable value in our tomorrows, for there has never been so great a need as now of young men and women who will stand against Materialism, Skepticism and Modernism. The opportunity was never greater to serve God and humanity; so we are going forth with firm faith in the Creator and Preserver of the Universe, the God of all grace, to take our places as co-laborers together with Him."

ing the Church of the Nazarene in Africa. No doubt we shall learn more about these class members after the paper is published.
